It is a pleasure to have Kori Jordan for our Student of the Month. Kori arrives to school each day ready to learn. In every discussion, Kori participates and always ask who, what, when, where, and how questions. Kori always strives to do her best with her independent work. She indicated that she works hard so that she can be a teacher just like Mrs. Butler. Socially, her sweet demeanor has made her a friend to many in the classroom. When she sees that someone needs something, she is quick to help. Congratulations Kori we are so proud of you! Continue to sparkle and shine!

## *Maliya Cuffee, 1st Grade*

Maliya loves to do what is good and right in the eyes of God! Maliya's very sweet and caring personality is the reason she is the student of the month for the fruit of the spirit, Goodness. Maliya strives each day to do what is right and be a leader as she is always a great example for her classmates and the students of the school. Maliya loves to remind others that we should do what pleases God and Jesus by always saying "WWJD" in times of need. During free time, Maliya loves writing sentences to share with her teacher about how much God loves her and how much she loves God! Keep up the great work! Congratulations!

## *Donovan Stacks, 2nd Grade*

Donovan shows Goodness all the time. Goodness is action; it is not something we do only for the sake of being virtuous. When we strive to be "good" sometimes it is only for peoples own benefit. But not in this case Donovan always strives to be good everyday!

## *Tianna Williams, Grade 3rd/4th*

Mrs. Gray's choice for "Student of the Month for January 2021 is Tianna Williams. I have watched Tianna grow academically and socially over the last two quarters. She is consistent and intent as she rises to the new challenges of the third grade curriculum. Her quiet, patient nature is evident as she works diligently to master and excel in curriculum goals. Her patience is further demonstrated in her relationships with her classmates, Her collaborative participation in group activities, and in her quiet ability to adjust to unexpected changes that may alter the daily routine. Coupled with her patience is her kindness, her cooperative nature, her positive attitude, and her sweet spirit. All of which makes having her as a student in my class a rewarding and positive experience.
